## Motivate, Reward, Inspire or Appreciate

Recognize your best customers. Reward the employees who keep them happy. Motivate vendors who make it happen. In golf, one name stands above all others, and the Gift Card from Callaway Golf tells them they deserve the game's most innovative and rewarding thank you. The only golf gift card built on legendary performance and revolutionary thinking is only available from Callaway Golf. From technologically advanced clubs, golf balls and putters to footwear, apparel, timepieces and accessories, your gift will make a lasting impact.

## Golfers are passionate about their game

Fuel that desire with a Callaway Golf Gift Card, passage to the world's most-recognized and respected name in golf. The Gift Card from Callaway Golf lets your recipients choose exactly what they want from the brand built on the promise of helping every golfer become a better golfer.

## Convenient, Efficient and Global

Recipients can place their order online at [www.callawaygolfgiftcard.com](http://www.callawaygolfgiftcard.com) or over the phone by calling toll free: 1-866-927-7733 seven days a week. If recipients wish to purchase more than the value of their gift card, they can use a credit card to pay the difference. Most products ship in just a few days; recipients can track orders online or over the phone. Cards cannot be redeemed at a retail location.

## A Complimentary Custom Fit? Even Better

We deliver your Gift Card with a customized touch. Recipients will receive your Gift Card carrier with your logo and personal or corporate message, inspiring them once again with your appreciation and thanks. Your Gift Card redemption web page features your corporate logo or message, reinforcing your message upon the recipient's order. We can also create an introductory online "splash page" to greet your Gift Card recipients who log into the site to shop.
